## TECHNICAL INFO

Stained curved oak plywood seat with or without upholstered cushion, or curved beech upholstered in two versions, standard or extraconfort

Base options:

**Metal base** – Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Plastic glides in black or white with or without felt.

Stackable up to 10 units for the non-upholstered version and 4 units for the upholstered versions.

**Wooden base** – Curved legs in natural oak plywood with the finishes of our collection and white (open pore).

Plastic glides in white or black.

**Upholstered wooden base** – Curved legs in natural oak plywood upholstered in leather or ecoleather.

Plastic glides in white or black.

Arms options:

**Metal arms** – Calibrated steel arms powder coated in thermoreinforced polyester in black, or white.

Available for all bases and seats.

**Upholstered metal armrest** – Calibrated steel arms powder coated in thermoreinforced polyester in black or white and upholstered with leather or ecoleather.

Available for all bases and seats

Not stackable with arms.

**Wooden arms** – Calibrated steel arms powder coated in thermoreinforced polyester in black, or white with natural wood armrests stained with the finishes of our collection and white (open pore).

Available for all bases and seats.

**Writing tablet** – HPL writing tablet with aluminum mechanism and anti-panic system. Left or right handed versions.

Available only for four metal legs base.

*NOTE: Structures of the writing tablet and the chair are always in the same colour.*
