

FUGA MEDIUM version is a family of tubular format projectors. They can be adjusted in their 350° vertical axis and in their 90° horizontal axis. All the components are housed inside the projector case, obtaining a clean design. The projectors distribute light to where it is most needed, since they can be directed in order to emphasise elements or uniformly distribute light. With a 2700K color temperature, this black projector enables the creation of warm, comfortable environments. The 24° version is ideal as accent lighting in display cases, shop windows, restaurants and hotels. The DALI system enables light intensity to be regulated.

General characteristics

Type	I
IP	20
voltage	220V- 240V
Hertz	50/60HZ
Downwards vertical orientation	↕ 90
Horizontal orientation	↻ 350
Power	22W

Material

Body/Structure	Aluminium
----------------	-----------

Finish

Body/Structure	Black
----------------	-------

Lighting characteristics

Light source included	
Light source	COB LED
Temperature	2700K
MacAdam Steps	2 SDCM
LM	1450Lm
CRI	82
LED lifetime	80000H L90/B10
Dimmable light source	SI
Degrees of light aperture	24
Light direction	ACENTO

Driver

Requires Driver	SI
Driver embedded	SI
Driver regulation included	PUSH
Power factor	0.9
