The idea behind the BAND collection is the breakdown of structure. An object designed using an ensemble of pieces. The chair's design intentionally challenges the classic sophisticated lines of furniture design and becomes something schematic, a conceptual programme.

A structure made up of repetitive angular shapes that give centre stage to its raw materials, and can be formed entirely of aluminium or teak wood, and of Terrain Fabrics.

Clean with mild soap using

Clean stains promptly. The

Once cleaned the fabric steam  
iron the fabric. Just use steam,
