## ARMCHAIR & OTTOMAN

What an exquisite work of craftsmanship it is Hubert armchair. An intricate piece with attention to detail that combines soft lines with the roughness of the metallic structure. The backrest is divided by a fine stitching technique into three different sections and all are padded with feathers and highly soft foams, making this an extremely comfortable piece. Hubert is highlighted by an ergonomic shape, finished with graceful piping along the backrest. This will be the stand-out piece of your interior design project.
