The idea behind the BAND collection is the breakdown of structure. An object designed using an ensemble of pieces. The chair's design intentionally challenges the classic sophisticated lines of furniture design and becomes something schematic, a conceptual programme.

A structure made up of repetitive angular shapes that give centre stage to its raw materials, and can be formed entirely of aluminium or teak wood, and of Terrain Fabrics.

Clean with mild soap using sponge or cloth. Be gentle while cleaning, do not scrub aggressively the fabric. Once cleaned please make sure you remove soap excess.

In case of aggressive stains clean with diluted household bleach.
