The Modular Insula sofa is Patricia Urquiola's updated interpretation of traditional seating used in traditional Arab Majlis, where community members gathered to discuss events and local issues, entertain guests, build friendships, and have fun.

Formally, it is a rational modular sofa with very softened shapes and low height, with a roll in the backrest that concentrates all the protagonism of the design and provides a decidedly horizontal emphasis. It combines carefully balanced proportions as an architectural element that can be subtly integrated.

Maintenance

Clean with mild soap using a sponge or cloth. Be gentle during the cleaning process; avoid aggressive scrubbing of the fabric. After cleaning, ensure you remove any excess soap.

For stubborn stains, use diluted household bleach. Act promptly to clean stains; the longer they linger, the more challenging they become to remove.

After cleaning, steam iron the fabric using only steam. Be cautious not to place the iron directly on the fabric, as it may cause damage.
