

## SUAVE PLANTER Ø55×100 cm

By Marcel Wanders

“Transforming outdoor spaces into true oasis, with the unique purpose of drawing people together and celebrating life” - Marcel Wanders.

First and foremost, the Suave collection blends the boundaries between indoor and outdoor furniture and achieves a higher level of softness, comfort and relaxation.

With the Suave collection, VONDOM introduces a new incredibly resistant production method - injected polyurethane- and challenges a decade of production methods that placed the company in the roadmap of international design furniture.

Pieces in the collection include a modular sofa, puff in five different sizes and stylish planters, available in three different sizes. Overall, new textures and delicate fabrics reflect the sensuality, warmth and poetry of Marcel Wanders. “We selected calm, sensual and appeasing colors to create a welcoming, iconic environment that becomes a place to be.” Gabriele Chiave, creative director at Marcel Wanders, says.

Either by placing outdoor furniture inside your home or, by bringing the comfort and warmth of the indoors outdoors, and deeply rooted in the company's key values of resistance, adaptability and technique, Vondom makes possible to enjoy the In & Outdoor life.
