THE ART OF SEATING SINCE 1988

Ousar no tempo, na forma como olhamos o que nos cerca e prende. Parar para descansar.

Sentirmo-nos em casa. No conforto de um sofá que não nos engana.

São 30 anos a dar-lhe razões para repousar.

O novo catálogo da Anaric mostra o quão fiel continuamos a princípios básicos e linhas distintivas. As cores quentes, outonais, caracterizam os novos modelos. Funcionais, modernos, com o requinte e qualidade de sempre. Peças únicas, modulares, à sua medida. Sofás, cadeiras, mesas, camas. A nossa marca está em todos eles.

Nós fazemos diferente.

Você escolhe melhor.

We dare in time and in the way we look around us and to the things that hold us. Stop to rest.

Feel yourself at home. In the comfort of a sofa that does not fool you.

We give you 30 years of reasons to rest.

The new Anaric catalog shows how faithful we continue to the basic principles and distinctive lines. The warm, autumnal colors characterize the new models. Functional, modern, with the usual refinement and quality. Unique pieces, modular, to your measure. Sofas, chairs, tables, beds. Our brand is in all of them.

We do it different.

You choose better.
