

TEKO - 3 White surface LED 36-54W 3000K 56°

Ref. 050600401

TEKO-3 is a white surface-mounted light with a modern style and LED integrated. It is ideal for contract spaces. Driver not included, but necessary. The 56° version is perfect for lighting in restaurants and hotels, and also in exhibition rooms or museums. With a heat temperature of 3000 K, this surface allows warm, comfortable atmospheres to be created.
