

BLOOM PLANTER

By Eugeni Quitllet

Eugeni Quitllet metaphorically captures the flowering stage found in nature. Intended for public spaces, the BLOOM LAMP- PLANTER's beauty establishes a relationship between sculptural form and technology, thanks to its LED feature. Inspiration transformed into poetry:
 BLOOM lights by night...
 BLOOM buds by day...
 BLOOM a mirage from the depths of the sea
 like a night flower facing the sunset...
 that opens, awakes a new being...
