ARMCHAIR & OTTOMAN

What a timeless design Elba armchair is! With an egg shape, this piece reveals generous shapes and a sleek look. The seat holds an extra padded pillow as well as the back. These two pillows provide maximum comfort. Elba armchair has an incredible feature: not only is the base a triangle shape handmade in stainless steel but it also swivels, so you can position where you want to face and play around a 360° base.

You can match this armchair with Elba ottoman, from the same collection, for additional comfort and support.
