

Olivia

MODULAR SOFA SYSTEM

Olivia is the new addition to Domkapa's collection of modular sofas. Including four distinct modules, this modular sofa stands out for a number of reasons. First, Olivia is all upholstered, including its footer, to match the upholstery of the seat and back. Also, the majority of the modules present a convex back, ergonomically perfect for tricky spaces. Being a modular sofa, Olivia allows you to configure and obtain different configurations. A bulky, rounded, and comfortable solution for your project.
