

PODIUM is a modular system of recessed and surface light fixtures which offers different light effects and configurations, enabling the creation of different climates with an integrated aesthetic. One product, one project, infinite possibilities. With its wide range of application, it is ideal for residential uses, shopping centres, offices, restaurants, bars, museums, and art and exhibition galleries. This white module general lighting downlight (DFG) has a colour temperature of 4000K, CRI90, an angle of 110° and a power of 13W. The recessed system has options with and without a frame of 1, 2 and 3 lights, making it possible to combine general, downlight, fixed and orientable accent and projector lighting optics into one product.
