

# Wireflow free-form

VIBIA

0347

Design By Arik Levy

Wireflow designed by Arik Levy. Hanging lamp. Configure hanging light installations from an electrical connection point on the wall with a plug to facilitate installation. With Wireflow you can outline different geometrical shapes on walls or ceilings to create murals with a stunning graphic visual effect. Employing CREA product configurator software, the design can be modified to adapt to your specific project requirements.
