La contraposición de la Chapa de Arce, otorga a las piezas una luminosidad interior natural, frente a la sobriedad del nogal que reviste con sencillez y elegancia todas y cada una de las piezas de esta colección..

The contrast of the maple veneer, gives the pieces a natural interior lighting compared to the sobriety of walnut coated with simplicity and elegance each and every one of the pieces in this collection.

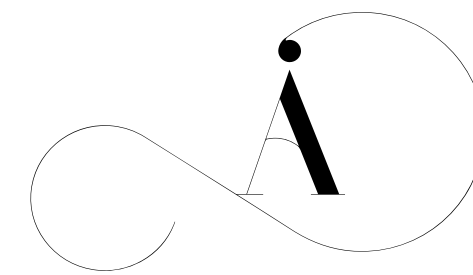

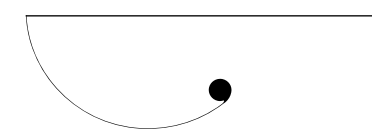

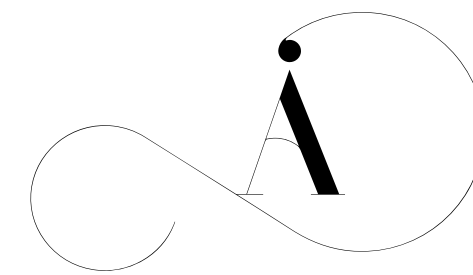

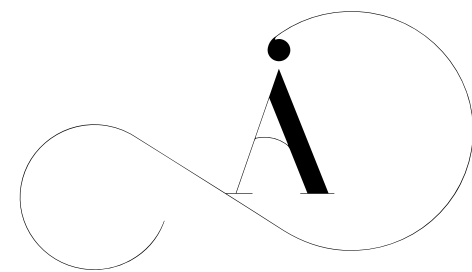

El verdadero amor por nuestro trabajo finaliza cuando nuestros sentidos son capaces de percibir todo lo que hemos querido expresar.

True love for our work ends when our senses are able to perceive everything that we wanted to express

Los frentes lacados lisos y con relieve, aplicados en las diversas piezas, ofrecen una visión vanguardista, del estilo desarrollado.

The freshness of the tones in high gloss that gives them the lightness necessary to highlight its impressive volumes.

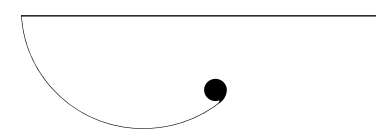

La frescura de sus tonos en alto brillo les concede esa ligereza necesaria para resaltar sus imponentes volúmenes.

Smooth and embossed lacquered fronts, applied in different parts, deliver an innovative vision of the style developed.
