

FUGA MEDIUM White projector LED HE 24W 2700K 24°

Ref. 011202501

High-efficiency version of FUGA MEDIUM is a family of tubular format projectors. They can be adjusted in their 350° vertical axis and in their 90° horizontal axis. All the components are housed inside the projector case, obtaining a clean design. The projectors distribute light to where it is needed, since they can be directed. With a 2700K color temperature, this projector enables the creation of warm, comfortable environments. The 24° version is ideal as accent lighting in display cases, shop windows, restaurants and hotels.
