

## FUGA LARGE White projector LED 18W 2700K 60°

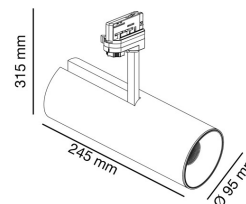

Ref. 011300201

FUGA LARGE version is a family of tubular format projectors. They can be adjusted in their 350° vertical axis and in their 90° horizontal axis. All the components are housed inside the projector case, obtaining a clean design. The projectors distribute light to where it is needed, since they can be directed. With a 2700K color temperature, this projector enables the creation of warm, comfortable environments.
