## ¿Qué significa Pau&Latorre? ¿What does Pau&Latorre mean?

*En el año 2002 nace la nueva marca Pau&Latorre para crear mueble tapizado de diseño. Es un momento de cambios donde los hijos de los fundadores de la empresa, liderados por Ascensión, fabrican un producto de primera clase con una exigencia en el acabado y en el proceso de fabricación que hace que, tanto Ascensión Latorre como Pau&Latorre, vayan conquistando nuevos mercados y consolidándose a nivel internacional y europeo.*

*Pau&Latorre es una idea, un concepto de sofá de alto standing dentro de la última tendencia, pero perdurable en el tiempo. Porque a pesar de ser un producto de diseño, es una concepción clásica, precisamente por su longevidad. Pau&Latorre abarca desde líneas de estilo más casual e informal a las líneas más austeras del diseño contemporáneo. Es un compendio entre el gusto por la perfección, la exigencia constante en la terminación y el acabado más sencillo. Sin ninguna concesión a lo sobrecargado.*

*Nuestras piezas producen satisfacción y confort, creando en los hogares un ambiente de lujosa sencillez. Parte importante de nuestra vida cotidiana donde en ías de trabajo y stress cada vez es más importante sentirnos reconfortados y relajados al llegar a nuestros hogares, sin estridencias y con sensación de espacio. En resumen, intentamos hacer que todo resulte fácil, no solo la decoración, sino también nuestras vidas...*

*In 2002, the new Pau&Latorre brand born with a whole new style and range of furniture. The firm headed by Ascensión and now led by the funders children manufactures top quality, hand-made and exquisitely finished furniture. This new concept won over new markets and consol dated both Ascensión Latorre and Pau&Latorre in Europe and other foreign countries.*

*Pau&Latorre is an idea, an avant-garde concept. Luxury sofas are made and designed to withstand time. New lines with a classical concept. It has been created to last forever. The Pau&Latorre range combines casual, informal pieces as well as sober and contemporary designs. The Pau&Latorre range is the blend of being meticulously perfect and providing exquisitely finished pieces with a yet simpler and more elegant style.*

*Pau&Latorre means confort and pleasure. Relaxing and resting in a spacious, peaceful and harmonious atmosphere is becoming invaluable.*

*Pau&Latorre creates this feeling of luxury and simplicity that is the perfect way to get back in touch with the inner self after a hard day. In short, Pau&Latorre's philosophy aimsto make your life more pleasant.*
