

SENTO

designed by
Fernando Martínez

SENTO

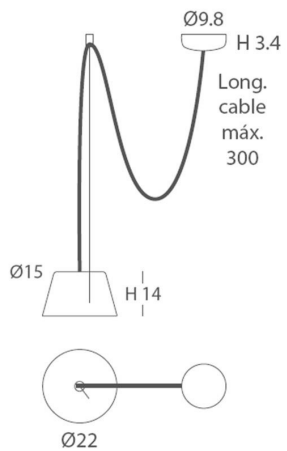

Simplicidad y funcionalismo se unen en este modelo compuesto de campanas metálicas troncocónicas con difusor acrílico, que se pueden orientar mediante un original sistema que ofrece la posibilidad de iluminar varias zonas de la estancia y de orientar la luz en distintas direcciones. Disponible de 1 a 6 colgantes y en varios diámetros.

SENTO

Simplicity and functionality come together in this model composed of truncated conical metal bells with acrylic diffuser. Individual and multiple hanging designs (up to 6 screens), adjustable wall lights with movable arms, triple ceilings, variety of diameters and colours. We invite you to discover the many possibilities offered by our model SENTO.
