

MALIBU is a collection of versatile tables with central base that stand out by its lightness, functionality and contemporary design which make them ideal for contract, office or domestic projects. The tables are characterised by its original four spokes central base made of cast aluminum that can be combined with round or square tops available in different sizes and materials. The MALIBU tables are produced in three heights.

ECOLOGY

Product environmental data sheet [+info](#)

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

ISO 14001 certificate [+info](#)

QUALITY STANDARDS

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.
