

MINI-OPTIC Black downlight

LED CRI95 17/24W 2700K 56°

1810/2470 lm

Ref. 032503702

MINI-OPTIC is minimalist recessed downlight that can be moved on its horizontal axis. It allows an atmosphere perfect for retail and communal spaces to be created. Elegant, minimalist series, where the objects lit up take on a leading role. A Colour Rendering Index of 95 provides a realistic rendering of the colour. The higher the value, the better the human eye perceives the real colour of the objects it lights. With a heat temperature of 2700 K, this downlight allows warm, comfortable atmospheres to be created. The 20° version is ideal for use as accent lighting in shop windows, shopfronts, restaurants or hotels, and also in exhibition rooms or museums.
