

# Edward

## MODULAR SOFA SYSTEM

Edward takes inspiration from the desire to retreat from cosmopolitan life. This sofa embodies a modular system with a wide range of elements, allowing you to play with configurations and build a sofa according to your taste, without ever giving up on comfort. This minimalistic design with generous proportions has a distinct character for its versatility, especially when combined with different accessories, such as a magazine rack, a headrest and a side table.

## Specifications

### ED90.BG

End Module - Left Sided and Right Sided

### ED120.BG

End Module - Left Sided and Right Sided
