This is an example of a modular sofa in its purest form. Its orthogonal geometry is based on a rectangular modularity design, which means it can be easily adapted to suit any situation and optimise the space in which it sits.

Each module can be taken apart and re-organised, creating new uses and configurations.

The design is aesthetically minimalistic with intentionally oversized pieces.

On the other hand, the decorative elements have conscientiously not been emphasised in order to give centre stage to the various combinations of fabric, colours and carefully selected details.

Once cleaned the fabric steam  
iron the fabric. Just use steam,
