ARDARA | CONSOLE

ARDARA Modern Console Table has its origin from a time travel to the Neolithic period in Ireland. It is here, in a small town named ARDARA that one of the world's most striking dolmens is located. Its timeless simplicity gave the perfect inspiration for a modern contemporary furniture piece whose result was ARDARA Modern Console Table. When the sunlight reflects directly in the dolmen, its surface shines with a golden halo. Recreating this natural phenomenon, the modern contemporary furniture piece ARDARA has a finish in golden leaf, bringing with it a peaceful sensation to any ambience.
