

# Slim Skin W 1400

By  
AIA Salazar-Navarro

Decorative  
Lighting

Wall lamps

## Description

The Slim Skin collection consists of a vertical suspension, a horizontal suspension, and a wall version. All of them have a diameter of 12 cm. Slim Skin is composed of a glass cylinder (available in opal white or ribbed clear glass) coated with a metal mesh in brass or black finish. The metal mesh creates a moiré effect which avoids any glare and provides great visual comfort.
