

## JUST FAN Copper ceiling fan

Ref. 33418

JUST FAN is the very essence of an industrial-style and modern fan. The stylised metal frame creates a striking, mould-breaking design. This modern ceiling fan is ideal for the ventilation of areas ranging from 13m2 to 17,6m2. The copper version with black blades is a new option for modern and elegant spaces. Activated by remote control. This ceiling fan with a low-consumption DC motor has 6 adjustable speeds with a 4-6-9-13-22-32W consumption and 51-77-103-129-155-185 revolutions per minute depending on speed. This fan comes with a reverse function summer-winter, so you can also use it in winter, improving the efficiency of your heating system. Airflow: 145,7 m3 min / 5145 CFM.
