Vicente Soto

Fabricada en polipropileno inyectado reciclable, New Xuxa está disponible en multitud de colores frescos que contrastan de manera sorprendente con el tono natural de las patas de madera de haya o roble.

New Xuxa es apilable hasta 6 unidades y por su resistencia resulta perfecta para un uso público intensivo.

Made in recycled injected polypropylene, New Xuxa is available in different fresh colours which form a surprised contrast with the naturel finishing of the beech or oak wood structure.

New Xuxa is stackable by 6 pcs and is perfect for a severe public use, thanks to its strength.
