

VEROCA

By Miguel Angel Ciganda

Descripción:

Luminaria de techo, compuesta por un difusor textil ignífugo, un cuerpo lumínico y cuatro muelles tensores, con sus respectivos soportes. El difusor textil puede lavarse a máquina y plancharse, sin perder sus características. La combinación de varios difusores textiles permite múltiples composiciones. Disponible en color blanco o crudo. VeroCa se fabrica en cuatro tamaños, todos ellos disponibles con lámparas fluorescentes o LED.
