

BATAK | ARMCHAIR

The BATAK people are one of the most ancient and most well-documented tribes in the world. The first records of BATAK people date as far back as Marco Polo's travels in the 13th century. Located in Indonesia, the BATAKs have a very rich culture, immerse in traditions, myths and in a society that they believe had its origin in one common ancestor - "Si Raja Batak". BATAK is also a velvet armchair by BRABBU. A mid-century modern furniture piece that covers the rich culture of BATAK and embraces their same ancestral beliefs, bringing a feeling of fellowship to any ambience. BATAK velvet armchair perfectly recreates the mid-century modern furniture style.
