

COJINES DE DECORACIÓN - ALMOHADAS DE RESPALDO

SCATTER CUSHIONS - BACK CUSHIONS

COUSSINS DE DÉCORATION - COUSSINS DE DOSSIER

EXPLICACION DEL MODELO

Sancal ofrece una colección genérica de cojines de decoración y almohadas de respaldo extra. Cada uno de estas piezas es combinable con cualquiera de nuestros modelos. La colección presenta diferentes medidas para 3 diseños: cojines y almohadas con banda, sin banda y cojines y almohadas con las puntas cosidas. Todos ellos son tapizables tanto en tela como en piel o piel sintética.

Las almohadas de respaldo tienen más espesor que los cojines de decoración.

IMPORTANTE

Cojines siempre desenfundables.

A los pedidos inferiores a 0,5 m³ se les aplicará el recargo correspondiente en concepto de portes.

CARACTERISTICAS TECNICAS

- Funda de algodón relleno de FiberDream (microfibra tacto plumón).

DESCRIPTION

Sancal offers a generic collection of scatter cushions and back cushions. Each of these cushions can be combined with any of our models. This collection features different measurements for three designs: scatter and back cushions with or without a band as well as decorative and back cushions with stitched corners. All of them can be upholstered in fabric, leather or synthetic leather.

The back cushions are thicker than the scatter cushions.

IMPORTANT

Removable covers.

Please check the terms and conditions for your country's carriage conditions.

TECHNICAL CHARACTERISTICS

- Cotton cover filled with FiberDream.

CARACTERISTIQUES

Sancal propose toute une collection de coussins de décoration et coussin de dossier. Chacun de ces coussins est adaptable à toute notre collection. Il existe 3 sortes de coussins: avec plate-bande, sans plate-bande et forme oreiller pointes cousues (type canapé Duo). Ces coussins sont réalisables en tissu, cuir ou cuir synthétique.

Les coussins de dos sont plus épais que les coussins de décoration.

IMPORTANT

Les coussins sont toujours déhoussables.

Facturation de frais de transport pour toute commande inférieure à 0,5 m³ (montant à déterminer selon la commande).

CARACTERISTIQUES TECHNIQUES
