

## GUEST Black wall lamp

Ref. 01045

GUEST is a collection of designer lamps created by Andreu Carulla. Minimalist, simple and elegant in style, the collection is characterised by its multifunctionality, since the design of all the versions includes a small tray. Its shape is reminiscent of the letter G and its name invites us to share the light, the moment and the space. The wall lamp is ideal for placing next to the bed, lighting up this corner and putting books or other everyday objects.
