*Palm is the symbol of relaxed sophistication.  
It's the warm breeze in a late summer day  
flowing through the golden hour glow.  
Palm is Malibu anywhere.  
It's the sound of velvet waves kissing tropical sand  
in a gladsome dance flow.*

*Joana Santos Barbosa*

The Palm side table is an exquisite delicate design that combines a meaningful message with luxurious materials. The top in Calacatta Viola marble is subtly curved and the base in darkened brass is produced with handmade techniques to express its natural inspiration. Palm brings the West Coast lifestyle into any interior.
