ESITT is a new task chair concept with a fully upholstered backrest and hidden ergonomic elements. A collection that combines the comfort of professional chairs, the integration of all the ergonomic elements in a harmonious way, and the refined design characteristic of the brand.

ESITT chairs match with the increasingly cozy and residential aesthetics of modern workplaces without compromising an advanced ergonomic performance that complies with all current international regulations.

The care for details, comfort and versatile design result in a collection of ergonomic chairs with a friendly and timeless aesthetic that can be easily integrated into modern workspaces, both professional and home-office.

## ECOLOGY
