Kettal Bitta is characterised by a combination of aluminium frames, seats of braided polyester and comfortable cushions, teak and stone for the table tops. My aim was to create dense braiding that would still let the air through, reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means 'mooring' in Italian), which makes the pieces look lightweight but, at the same time, they look just like cosy nests in natural colours to sit back and relax in.

Maintenance

Clean with mild soap using sponge or cloth. Be gentle while cleaning, do not scrub aggressively the fabric. Once cleaned please make sure you remove soap excess.

In case of aggressive stains clean with diluted household bleach.

Clean stains promptly. The longer it remains, more difficult will be to remove.

Once cleaned the fabric steam iron the fabric. Just use steam, be carefull NOT placing the iron directly in the fabric it will get damage.
