Expertise Pericia

Belongs to a limited circle of office furniture manufacturers where product perfection is a core value and a continuous search. Therefore and since its founding, BOS1964 controls all production processes: from purchase and selection of the best natural wood veneers and cow hides to pre-assembly and distribution. We care a lot about our finishes and all our wood veneers are worked by hand and the end product is assigned a unique serial number, which makes tracking easy and guarantees a personalized after sales service. This is part of our total client satisfaction focus.

BOS1964 pertenece a un reducido círculo de fabricantes muebles que, fiel a sus valores, busca la perfección de sus productos. Por ello, y desde que se fundó la firma, BOS1964 controla todos los procesos de producción: desde la compra y selección directa de las mejores maderas y pieles hasta su montaje previo y distribución. Con un cuidado estricto de los acabados, todas las maderas se trabajan a mano y el producto final siempre lleva un número de serie para hacer un seguimiento del mismo y ofrecer un servicio de posventa personalizado que garantice la total satisfacción de nuestros clientes.
