

GADNER

Designed by J&D

Conceptualizada desde los más estrictos parámetros del diseño clásico, la colección Gardner permite ser adaptada a un amplio abanico de ambientes. Bajo la premisa de conseguir un producto de elevado confort y de un gran rigor estético, Gardner permite ser un producto adecuado para usos tanto personales como profesionales. La colección consta de sillón, sillón giratorio, puf y sofá de dos plazas.

Based on traditional parameters of traditional design, the collection Gardner permits to suit perfectly in different environments. The collection includes numerous sizes and pieces which can be combined and this way permit to place them in all type of rooms. Gardner is a product which suits with the home as well as with contract. The collection includes armchair, swivel chair, pouf and a two seater sofa.
