

## WATERKEYN | Knot and grid

The human hand coordinated by the brain can transport us to a world of limitless possibilities, whether it be through the arts, music or crafts.

**WATERKEYN** is a hand knotted rug made by **GAN**, **GANDIABLASCO**'s indoor brand, which derives its uniqueness from the deft hands of the crafts men and women of India, a music made tangible, made into a rug.

**GAN** travels the world in search of expertise and knowledge which is transmits through its products, in this case their **HAND KNOTTED** rug collection.

**WATERKEYN** features a grid pattern that emerges and disappears over the faded distressed surface of the rug that is itself a reference to the organic material from which it is made, the vegetable fibre jute. As a material, jute has served mankind over the centuries and still provides unexpected and ingenious applications.

**WATERKEYN** colour combinations are inspired by water and earth, aqua and terra. Available sizes are 170 x 240 cm, 200 x 300 cm and 300 x 400 cm. Made from 100% jute which is tie-dyed and hand knotted.

### About Gan

Founded in late 2008 in order to give an identity to GANDIABLASCO's line of textiles.

Maintaining the quality standards of its origins, GAN has managed to become an internationally recognized brand with a presence in the world's major cities as well as its own stores in Madrid, Barcelona, New York, Istanbul, Hong Kong, Bologna and Porto.
