

MINI-OPTIC is minimalist recessed downlight that can be moved on its horizontal axis. It allows an atmosphere perfect for retail and communal spaces to be created. Elegant, minimalist series, where the objects lit up take on a leading role. A Colour Rendering Index of 95 provides a realistic rendering of the colour. The higher the value, the better the human eye perceives the real colour of the objects it lights. With a heat temperature of 3000K, this downlight allows warm, comfortable atmospheres to be created. The 20° version is ideal for use as accent lighting in shop windows, shopfronts, restaurants or hotels, and also in exhibition rooms or museums.

General characteristics

Type	III
IP	23
Horizontal orientation	↶ 20
Power	24W
Cutting size	ø135mm

Material

Body/Structure	Aluminium
----------------	-----------

Finish

Body/Structure	Black
----------------	-------

Lighting characteristics

Light source included	
Maximum ceiling thickness	30
Light source	COB LED
Temperature	3000K
MacAdam Steps	2 SDCM
LM	1850Lm
CRI	95
LED lifetime	80000H L90/B10
Dimmable light source	SI
Degrees of light aperture	56
Light direction	ACENTO

Driver

Requires Driver	SI
Driver embedded	NO
Maximum driver information	700mA CC
