FINE UPHOLSTERED FURNITURE
100% MADE IN SPAIN

Cae el sol... Llega la calma de la noche cambiando así los matices de los colores. Entra la brisa suave y fresca, envolviendo las formas y agitando levemente las hojas verdes de los árboles. No muy lejos silba un mirlo, llama a su pareja para reunirse con ella en su nido. Nido que han construido eligiendo cuidadosamente los materiales naturales necesarios para poder establecer su hogar. Cómodo y seguro, donde en poco tiempo darán vida a su familia. Pienso en tí...

Nuestra nueva colección Na Nao, nace observando la naturaleza, donde los materiales son protagonistas, donde las líneas son suaves, donde la comodidad te invita a pasar buenos momentos.

Sun falls... The night calm arrives changing the nuances of colors. Soft and cool breeze enters, wrapping the shapes and slightly waving the green leaves of the trees. Not far away whistles a blackbird, call his partner to meet her in their nest. Nest that have carefully constructed choosing the natural materials needed to establish their home. Comfortable and safe, where in a short time they will give life to their family. I think of you...

Our new collection Na Nao, is born watching from the nature, where materials are leading values, where shapes are soft, where comfort invites you to live good times.
