

CYLINDER DALI Black projector LED CRI95 36W 3000K 56°

Ref. 010606202D

CYLINDER DALI is a track projector with a cylindrical structure and compact design. The projectors distribute light to where it is most needed, since they can be directed to emphasise certain elements or can distribute the light uniformly. A Colour Rendering Index of 95 provides a realistic rendering of the colour. The higher the value, the better the human eye perceives the real colour of the objects it lights. With a colour temperature of 3000K, this projector allows warm, comfortable atmospheres to be created. The 56° version is perfect for lighting in restaurants and hotels, and also in exhibition rooms or museums. The DALI system enables light intensity to be regulated.

Specifications

Bulb:	LED CRI95 36W DALI 3000K 56°
Bulb included:	Yes
Transformer:	Driver
Transformer included:	No
Voltage:	
Operating Frequency:	
IP:	
Class:	
Material:	Die cast aluminium, aluminium reflector and template glass diffuser
Designer:	
Recommended bulb:	
Length:	185 mm
Net Width:	120 mm
Height:	270 mm
Net Weight:	1.69 kg
