**6. SHOP ASSISTANCE GUIDE**

**a) COLLECTIONS DESCRIPTION**

**SPACE SENSATIONS**

This collection is designed in neoclassic and art deco style.

One important factor of this Collection is the feeling of NATURALITY as you can see in all the pieces the ash mesh and at the same time giving it a pleasant appearance.

Like all the collections is possible to make it in ash veneer finish or lacquered finish. Stainless steel details on the headboards and handles finished give them a modernity and freshness. It exist a big range of materials to upholster where you can choose to customized your bed.

Like all the collections, it's drawers incorporate controlled closing guide.

In this Collection rules the round shapes of the drawers fronts of the auxiliary pieces as well as in some details of other articles.

Pieces which transmit naturalness and where you could appreciate very clearly the wood mesh of the ash veneer.

At the same time, it offers a very kind and natural sense of touch.

Like all the collections, it's drawers incorporate controlled closing guide. The Collection has different options of metal beds which gives an elegant sensation. Like of the other collections is possible to make in wood or upholstered.

The big range of finishes let the customer personalize the pieces at the same time that

enjoys a high quality Furniture according to his taste.

**TEEN SPACE COLLECTION**

**Elegance and functionality** are some of its factors which describe the Collection created by LINEAS TALLER. With materials like ash wood, we give long durability, strength and elegance.

Through the details we create personal spaces with their own identity.

We combine colors and shape to create exclusivity

Curved lines, straight, mat finish high gloss or wood shades bring our hallmark

**WARDROBES AND DRESSING ROOMS**

*Different and modular.*

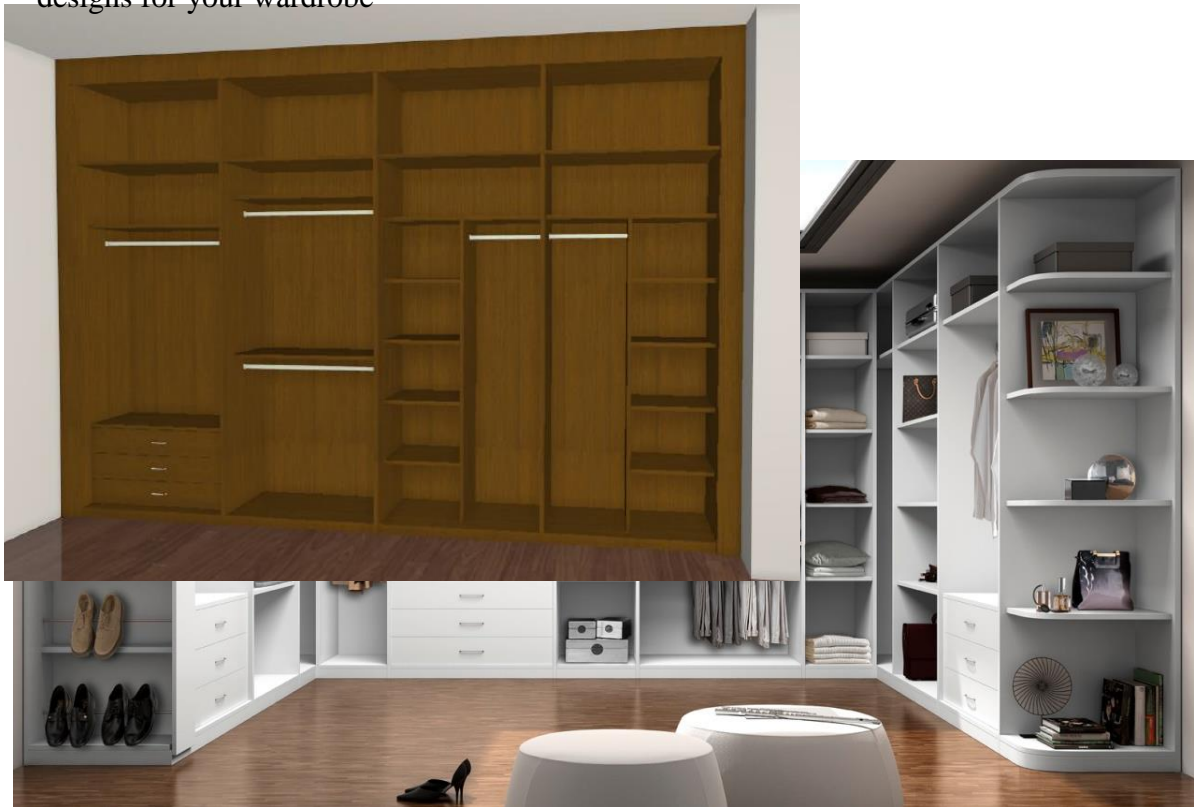

We count with 6 available models of doors that will make your option unique.

Wardrobes are made in ash natural veneer selected from the first quality materials, patined and hand made.

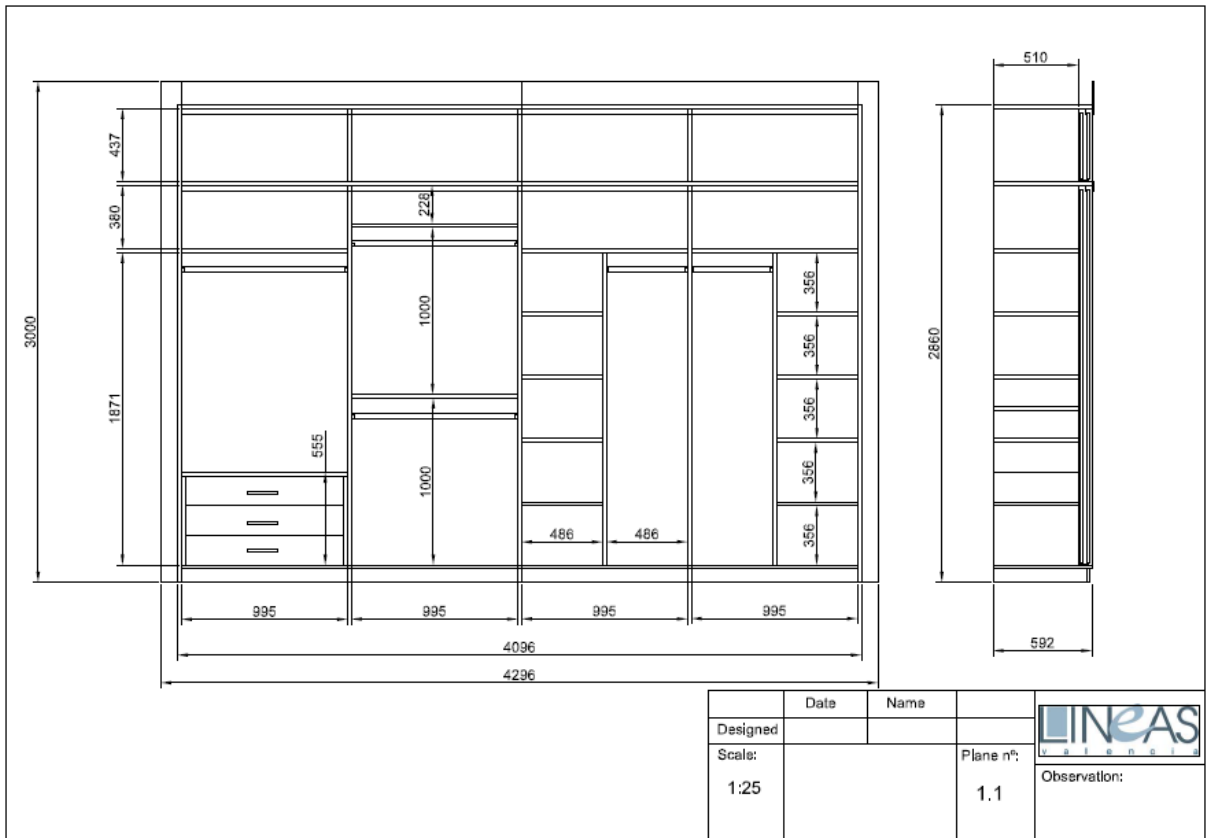

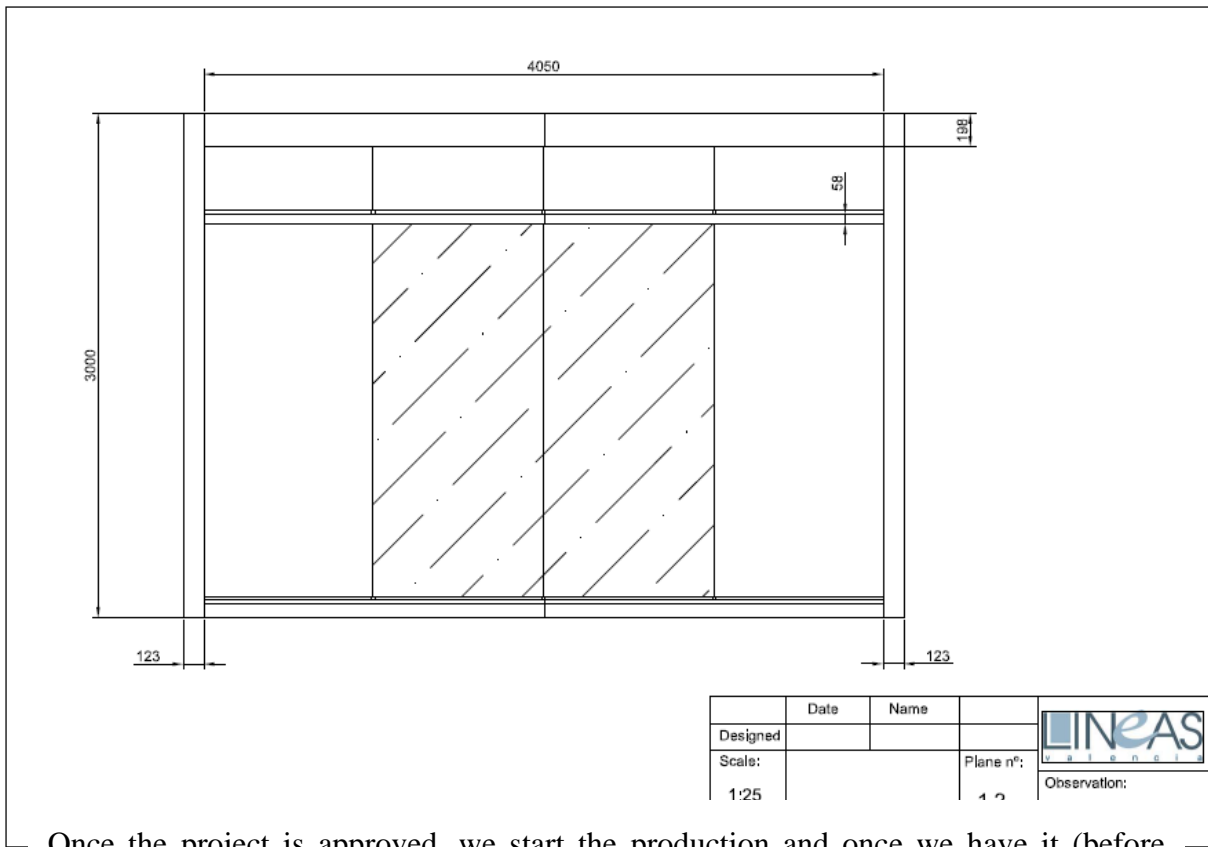

In lines taller we count with a technical department where we develop the most special designs for your wardrobe

We start making your design through a 3d render and technical drawing

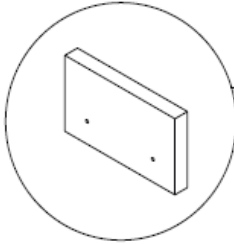

Once the project is approved, we start the production and once we have it (before painting) we mount it and send it to the customer.

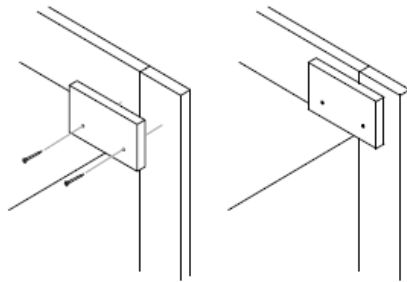

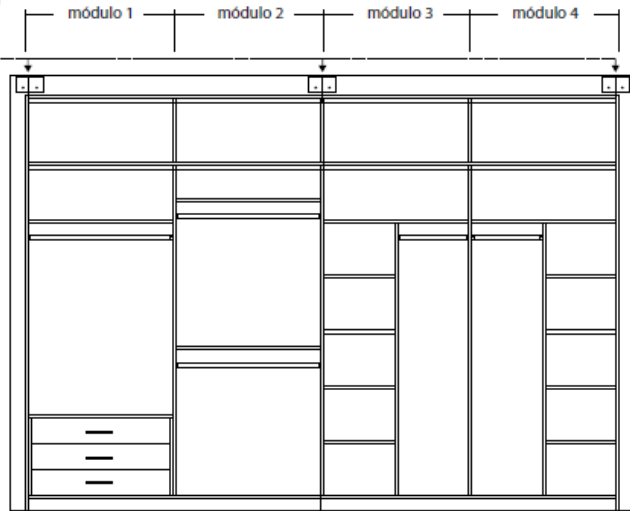

If necessary we send also some mounting instructions

Añadimos 3 suplementos para colocar en la parte trasera de la junta de las tapetas, con el fin de que estas no tengan separación y queden alineadas.

El embalaje esta separado en los módulos aqui indicados

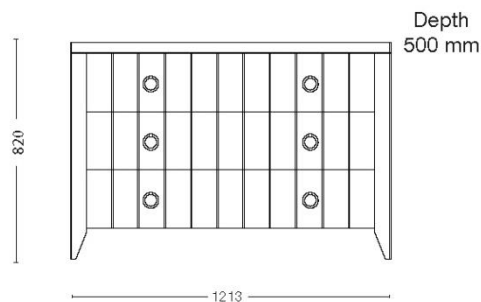

Atomillar con dos tornillos rosca chapa de 30mm de largo como máximo

## b) PACKING

In Lineas Taller take very seriously the packing, we know that our furniture has a long way till the final customer by truck, sea or plane and we want to be perfect, that's why we make an effort with the packing, following this steps;

1. We apply the 1<sup>st</sup> layer of Polyethylene foam

2. We apply 2<sup>nd</sup> layer of Polyethylene foam with adhesive tape

3. We apply 1<sup>st</sup> layer of Reinforced Polyethylene foam for the corners.

- We apply 2<sup>nd</sup> layer of Reinforced Polyethylene foam for the corners.

- We apply 1<sup>st</sup> layer of double wall cardboard

- We apply 2<sup>nd</sup> layer of double wall cardboard

We also want to make it easy to the warehouse guys or the installer, with a very clear instructions about the references that contain each box, here the adhesives that we put in the boxes ;

**c) ORDER CONFIRMATION**

Once received by you the order, we will check all the details to avoid any problem or mistake and in approximately 48 hours, we will send you back the pro forma invoice by email or fax with approximate delivery time and a estimation of volume and weights. To start production we need at least 30% of the total amount of pro forma. After this, we would start production of the order.

**d) DELIVERY TIME**

Our delivery time is approximately 4-5 weeks with the exception the special designs 6-7 weeks.

**Does Lineas Taller send the furniture assembled?**

We send our items normally assembled. But, there are some articles that we send dismantled (example: wardrobes). In this last case, we will attach assembling instructions to them.

**Do Lineas Taller drawers close always correctly?**

All drawers from Lineas Taller use metallic guides. We use silent system guides. So this means that drawers will close correctly.

**Can we adapt furniture to client measures?**

Yes, we are sensible of the difficulties that you could find when you try to make your furnishing, for this reason we adapt our furniture to customer necessities. All of our price lists have got for guidance percentages to make easy give price to your clients. But, if you prefer, you could contact our Export department and we will quote your 'special sized furniture'.

**Have Lineas Taller sensibility and try to Project our environment?**

Since 1996, Lineas Taller cooperate with other Furniture Companies to create RIMASA. This company works in the process of destruction of waste materials.

Our awareness with the environment is very well-known, as we obtain the award of environmental preservation of the Spanish Wooden Furniture Factories Association in 2003.

**How are the finishes from Lineas Taller?**

The most part of our products are open pore finished (with the exception of the lacquered ones) and it is easy to appreciate the warm and soft sense of touch of wood and natural veneer as well as the characteristics lines and stripes of the ash veneer.

**Are leathers from Lineas Taller catalogue authentic leather?**

In our samples catalogue, we have a big range of authentic leathers. Some of them are plane and some of them are handcraft stamped. All of them are natural origin and bovine origin.

In this way, you could enjoy the texture of authentic leather but with a fashion finished.

**If we put your name in your bed, does it means that we are making bed only for you?**

Yes, Lineas Taller produce and paint personalizing every bedroom as per the chosen finishes piece by piece, making a particular bedroom **just for you**.

**Can we make wardrobe combination with Syros, Oslo&Viena and Natural Chic?**

Yes, all wardrobes are combinable. They are only different in doors and cornice. All the functionality of the inner part is the same for all the collections. We dispose of interior shelves, drawer boxes, for trouser, etc... To complete any of our bedrooms with a wardrobe is always the best choice.
