# BLOOM LAMP

By Eugeni Quitllet

Eugeni Quitllet metaphorically captures the flowering stage found in nature. Intended for public spaces, the BLOOM LAMP- PLANTER's beauty establishes a relationship between sculptural form and technology, thanks to its LED feature.
Inspiration transformed into poetry:
BLOOM lights by night...
BLOOM buds by day...
BLOOM a mirage from the depths of the sea
like a night flower facing the sunset...
that opens, awakes a new being...
